Gamma Theta Gamma brothers clean downtown Wellsville area

Recently, the house brothers of Gamma Theta Gamma Fraternity in Alfred cleaned the area around downtown businesses in Wellsville as part of their community service projects.

In addition to this service, the house also has set up and cleaned up for Alfred State College homecoming, cleaned garbage from the creek which runs through Alfred, donated money and participated in the Walk for Cancer, hosted a haunted house and donated money raised to a disabled child and cleaned the Alfred Uni-Mart parking lot. The brothers also actively participate in Greek activities to promote a better campus environment.

Brothers of the house are Rob Roth, Mitch Middlebrook, Tom Kacalski, Corey Kane, Luke Obuhaniach, Eric.

**About Gamma Theta Gamma**

Located in Alfred, Gamma Theta Gamma was founded in 1920 by Paul B. Orvis. Many of the buildings on the Alfred State College campus are named after past brothers of the house for their significance on the campus and their donations. Gamma brothers require academic excellence to be a part of the fraternity and the house grade point average is very important. Community service is a major piece of Gamma Theta Gamma and it shows responsibility, concern for the community and gives more opportunity to show the positive aspects of fraternities as a whole.
