GAMMA OF THETA GAMMA

Theta Gamma has grown from a combination of the Knights of Aggies and The Bachelors' Club of 1920 to its present position as one of the leading organizations on the campus both scholastically and socially.

Gamma Chapter of Theta Gamma received its formal Charter on October 28, 1930, and is the third oldest chapter among the State Schools of Agriculture.

The excellent financial rating of Theta Gamma has made it possible to make many interior and exterior improvements of the house in recent years. The members now enjoy the comforts and conveniences offered by this modern home.

The life and fellowship enjoyed in Theta Gamma is a great asset in moulding our characters and preparing us to promote the ideals essential to a successful future.

THETA GAMMA, GAMMA CHAPTER

Two Agricultural School fellowship clubs, the “Bachelor’s Club” and the “Knights of Aggies” merged their activities in 1920 to form the present organization.

An award is given annually to the member receiving the highest school rating.

Since Theta Gamma owns its house and operates a boarding club, opportunities for managerial experience arise. That they are accepted as part of the fraternity program is shown by its excellent financial ratings.

Members are selected from agricultural and electrical students. The life and fellowship enjoyed in Theta Gamma develops in these members an improved outlook toward the intellectual, social, and spiritual life with a well rounded program of dances, parties, or other special events.

THETA GAMMA
GAMMA CHAPTER

Alfred's Gamma Chapter of Theta Gamma fraternity was formed in 1920 by the merging of two fellowship clubs, "The Knights of Aggies" and "Bachelors' Club."

Every year there is a school of instruction for all chapters of Theta Gamma, of which there are six, one at each state Institute. The chapters alternate in serving as host to the national convention and the school of instruction. This year, Gamma Chapter had the largest number of representatives present, and at the annual elections, the chaplain was named grand chaplain.

Membership, this year, numbers about 40, which includes the 25 pledges.

Besides forming a close bond of fellowship among the brothers and a fuller social life, members are urged to raise their scholastic standards.
