The activities of the house include social, athletic, and public welfare.

We participate in all of the social functions on the campus, the five name dances, student council dances, such as the Christmas Dance. In the spring, the annual Spring Formal is held at the Hotel Sheraton in Rochester. Various parties are held at all times of the year after dances and games. In the warm weather, there are picnics and hay rides. Dobson House and Psi D go to Stony Brook every spring. The desserts with the various women's houses begin in the fall and continue in the spring.
