Pi Nu Epsilon was formed last year. It is the Beta Chapter affiliated with Canton State Tech. Pi Nu has a brother and sister relationship with Theta Gamma.

The two big dances which Pi Nu held during the year were the Showboat dance with Theta Gamma, and the Spring formal, which was put on by the sorority alone.

Pi Nu participated in the following events: Intersorority Ball, Showboat dance with Theta Gamma, Pi Nu Spring formal, Christmas party with Delta Sig for Alfred children, and the Amateur Show in which they won first prize with Theta Gamma.
Pi Nu Epsilon Sorority, Beta chapter, was organized in 1953 in affiliation with the Alpha chapter at Canton.

During the year we participated in: Assembly Talent Show, Harvest Ball, the "Davy Jones Locker" dance co-sponsored with our brother fraternity Theta Gamma, Winter Carnival, Intersorority Ball, and the Pi Nu Spring Formal.

Pi Nu is proud of the fact that her girls won the trophies for sign and booth, and queen of Harvest and Snow Ball, also second in the Snow Sculpture Contest.

Pi Nu Epsilon, founded in 1953, in affiliation with the Alpha Chapter at Canton was Alfred State Tech’s second sorority.

Under the able leadership of its President Noreen Dzuvsynski, the fifty active members of Pi Nu have entered in many activities. Some of these include helping Theta Gamma with a Halloween party for orphans, and Delta Sig with a Christmas party for the town children.

Participation in these and many other campus activities have helped make this a successful year that all will remember.
