ALPHA BETA CHI

Alpha Beta Chi, on West University Street, is Alfred State Tech’s first sorority, founded in 1952.

This past year we have been under the guidance of our new housemother, Mrs. Beckman, and the leadership of our president, Karen Hedlund. The unity and cooperation of the members have helped them to place first in the Fall Festival Variety Show, first place in the women’s division of the House Sign, second place in the booth contest with our brother fraternity, Psi Delta Omega. A/BX also had a successful volleyball team, taking first place in the league this year. Other activities have been a clean-up day with Psi Delta, Honorary Tea, Campus Chest, Christmas party and our annual Spring Formal. Everyone has had a memorable and successful year.

Alpha Beta Chi

Alpha Beta Chi, founded in 1952 as Alfred State Tech's first sorority, is located on West University Street.

The spirits and attitudes of the house this year were highly sparked as a result of the never-ending efforts of our new "Mom," Mrs. Hamilton. President Noreen O'Grady has led us to a first-place victory in the annual Christmas sign contest, and has promoted the cooperation and determination which were needed to compete in house signs, booths and variety shows. Planning for, and participating in Honorary Teas, desserts, a Christmas party, and our annual Spring Formal has kept us all busy. We are very thankful for these events, for without them, our sisterhood would not have been such a success.

Alfred State College's first sorority, Alpha Beta Chi, was started in the fall of 1952 by 12 girls. At that time it was a dormitory, Wheaton House, housing all of 23 girls—12 members, six freshman, and five Pi Alpha Pi members. Those 12 girls drafted the constitution and ritual with the help of the housemother, Mother "D", both still being maintained today. In 1953-54 our crest was designed by Donna Archibald. Twenty-three girls lived in the house then, and in February of 1954 the house was remodeled to hold 42 girls.

It is now 1965-66 and this year has sped by faster than we can imagine. To look back on the many gratifying experiences of our senior year gives us a warm feeling of accomplishment and unity. Many high hopes, disappointments, and achievements have passed through the halls of Alpha Beta Chi this year, and we hope the sisters in future classes carry on the spirit of sisterhood and unity throughout the coming years.
Alpha Beta Chi is based on cooperation, dependability, closeness, and happiness—four most important qualities of sisterhood. Its members give of themselves rather than take, and strive together to establish and maintain a noteworthy reputation for the name of Alpha Beta Chi.
