Pi Nu Epsilon, founded in 1953 in affiliation with the Alpha Chapter at Canton, and the Gamma Chapter at Delhi, was Alfred State Tech’s second sorority.

Under the able leadership of its President, Sandra Birchmeyer, and with the guidance of housemother, Mrs. Ryan, the fifty active members of Pi Nu have entered in many activities. Some of these include a banquet and Christmas party with their honoraries, along with a tea, dessert and a clean-up party with their brother fraternity, Gamma Theta Gamma, a party for orphans, and a Christmas party for the town’s children with Delta Sigma Phi.

Participation in these and many other campus activities such as Fall Festival, Campus Chest, and Winter Carnival have helped to make this a successful year that all will remember.

Victory thru’ cooperation.
