(Continued from Page 2)

Stephen Sletton, Agron. '55, is now attending Michigan State University. William J. Batta, Dairy '65, is serving in the U.S. Army.

Pierre Conneau, Agron. '53, started his Lucky Pierre show on WBBR Saturday, September 17th.

Robert Biechingler, Alex Dahir and Norman Casagrande, all graduates of the mechanical technology department, have been financed for an advance training program. The yare employed by the Air Preheater Corp. in Wels- ville. The Preheater is financing this program of advanced training, which will lead to a degree in engineering.

Charles A. Perry, An. Hus. '50, now living at Route 5, Lebanon, Tenn., is a blockman for Allis Chalmers.

Mrs. Kathleen Harrient, Bus. Ad. '49, is now living at 505 Sherry St., S. E. Grand Rapids, Michigan.

Donald Slade, Rad. '52, is now working for Curtis Wright at Patterson, New Jersey.

Kenneth Joessel, FPM '53, is living at 543 E. Main Street in Fal- coner, N.Y., and is employed by the International Harvester in Jamestown.

Allen Capwell, FPM '54, is with the Soil Conservation Service and is living at 350 Sawyer St., Rochester 11, New York.

Greek Letter News

Alpha Beta Chi

September has finally rolled around and the house is filled once again with bustling activity. All of ABX's 46 active members are looking forward to a very successful year.

During the summer, three of our alumnae were married — Ruth Wil- son, Joanne Gifford and Mary Ann Bailey.

This year, the girls are starting something that is a "first" among the Ag-Tech. sororities — an alumnae paper which will be edited twice a week and sent to all alumnae. At the present time, the girls are awaiting replies from questionnaires sent out to the alumnae before starting work on the paper itself. The paper will contain material of interest to our alumnae, news about the house and also information regarding the present occupations of and news about the alumnae.

The Honorary Tea and initiation will be October 25th. Eight women are invited to become honoraries. As yet, all replies have not been received.

During the recent Bloodmobile Drive, sixty per cent of the girls participated. This was the highest per-
centage of any house on campus, the next highest being thirty-three per cent.

A new addition to the recreation room is a ping-pong table donated to the house by Sue Piper, an active member. Another addition to the house is a beautiful silver tea set, the gift of the 1956 graduates.

The girls would like to extend a sincere welcome to all alumnae to come and visit us any time they are in our vicinity.

Kappa Sigma Epsilon

This first quarter has been a big one for the fraternity. We have moved into our new house and are putting the fin-
ishing touches on the remodeling. New walls and ceilings were put in the kitchen, dining room, living room and upstairs bedrooms. The rest of the interior was painted.

A neon sign shaped like our fra-
ternity pin has been installed over the front door. The cellar has been dug out and rooms have been placed for the laying of a cement floor.

Our six pledges are coming along fine and will be a great asset to the fraternity.

We are very happy to have so many alumni back for Homecoming.

Delta Chi Omega

The girls of Delta Chi are very happy to be back from their summer vaca-
tion and living in their new sorority house — formerly Henderson House.

Mary Sander, president; Judy Smyth, vice-president; Marcy Young, secy. and Sylvia Howe, treasurer, head the list of officers and are looking for a real successful year.

Congratulations to Pat Franko, one of our Intersorority representatives, on her new position as president of the Intersorority Council.

The girls have purchased their ceramic beer mugs and create for their white blazers.

Our social program has included desserts with PI Nu and Kappa Sig.

Three officers and Mrs. Arman, our housemother, enjoyed Sunday dinner at Theta Gamma.

Our plans for the future include desserts and a tea for our honoraries.

During the past summer, the house was remodeled and this fall the girls moved into the house. The lounge has been enlarged. The housemother's room has been added to the lounge space. The kitchen, painted in a bright coral and housing a new cake and candy machine, is a popular stop. The private girls' lounge is off the kitchen toward the back of the building. The addition to the house has nine sleeping rooms downstairs and a new room for the housemother. One of the grand additions to the downstairs is the new laundry room. Upstairs there are nine new study rooms and four old ones. The main lounge has new furniture and very nice new drapes.

So far this year, we have entertain- ed ABX and Delta Chi with a "coketail party."

The Homecoming weekend proved to be a wonderful one. Everyone had a very nice time and we were all glad to see so many of our alumnae back with us.

Many of our Junes graduates were married during the summer. Among them were: Jane Siegel to Jim Brown; Carol Dann to Charlie Overslaugh; Barbara Mittler to Bill Haederle; Barbara Kadous to Charles Weese; Sue Brasik to Terry Phillips; Joyce Kays to Frank Lund.

Psi Delta Omega

This fall finds Psi D in great shape. A face-lifting job was done this summer on the third floor including remodeling, paint job and new furniture. The cellar has also received a touch of modern art and now contains a real party atmosphere.

After the first three football games Psi D is once again undated with victories over Theta Gamma, Peltz house and the Vets A team.

Two of the members are pleading for new nick who carry the name of "Coolie. They wear the custom maroon beanie with a long black braid attached. Pleading continues with the usual pledge party to take place on October 22.

Between 50 and 75 alumni attended this year's Homecoming. Many com-
ments were heard on the face-lifting of the house and all were happy in themselves. We anxiously look forward to visits by alumni. Our welcome mat is always out.

Theta Gamma

Frank Lampman '24, principal at Weesupport, visited the house Home-
coming weekend.

A new change has taken place at Theta Gamma this past week. A large propor-
tion of the wall in the ceiling was taken out, so as to make more room, thanks to Bob McCoy.

Pleading has started again this year. Six new "Bohos" have begun their pleasant three weeks of getting acquainted with the members. The members of Theta Gamma wish them luck in their pleading.

Theta Gamma purchased two new refrigerators, and two new hot water tanks this past Summer. Many of the rooms have been repainted also. We have been thinking about purchasing a new television set which will be a permanent asset to the house. The "Smorgasbord" on April 23 and the T. G. "Clambake" on May 12 have been planned. The piano has been remodelled and retuned.
Alumni Picnic

August 28
Alumni Amblings

in the service and stationed in Hawaii. Gus Augustini, dal, '54, is stationed in France.

John Lascovici, mech. tech., '54, is at Pensacola, Florida, in the Naval Air Cadets.

Frank Olivieri, agron., '54, is a government food inspector down south for the winter and will return north for the summer and early fall.

Dick Popper, bus., '53, Don Kewley, bus., '53, and Willy Lehr, bus. ad., '53, are all stationed at Governor's Island.

Engene Haines, f.p.m., '53, has been graduated from naval aviation school at Corpus Christi, Texas. He has been commissioned an ensign and assigned to the Naval Air Station at Alameda, Calif.

Gerald Spits, mech. tech., '54, was graduated from the US Naval Postflight School at Pensacola, Fla. He has been assigned to Whiting Field, US Naval Auxiliary Air Station at Milton, Fla. for primary flight training.

Dwight Reynolds, flor., '50, recently completed four years service in the navy.

BIRTHS

Mr. and Mrs. John Burkert, (Ruth Strengarn, lab tech '54) of 22 Park Street, Alfred, are parents of a daughter.

Mr. and Mrs. Lawrence Tillman, rur. eng., '51, of 133 Thacher Street, Hornell, are parents of a son.

Mr. and Mrs. Whitney Andrews, dair., '51, welcomed a son, May 14, 1954.

Mr. and Mrs. William Eden (Kathryn Jane Kirchoff, flor., '42) of Utica, a daughter on March 30, 1954.

Mr. and Mrs. Carl D. Adams, ag. bus., '53, are parents of a son, Dale Leslie.

Mr. and Mrs. Jesse V. Roberts, ag. bus., '51, are parents of a son, Lyne, born October 18, 1954.

Mr. and Mrs. Thomas E. Coverdale, ag., '50, a son, February 25, 1954.

Mr. and Mrs. Fred Stoll Jr., an. bus., '50, a daughter, July 17, 1954.

Mr. and Mrs. Langford W. Dobbins, agr., '50, a daughter, May 24, 1954.

Mr. and Mrs. Dale Loope, an. hus., '51, a daughter, April 15, 1954.

Mr. and Mrs. J. Peter Lefevelt, an. hus., '51, a daughter, June 14, 1954.

Mr and Mrs. Edward W. Duffey, an. hus., '51, a daughter, July 22, 1954.

Mr. and Mrs. Irving Bond, an. hus., '53, a son, November 12, 1954.

Mr. and Mrs. James H. Rector, gen. ag., '53, a son, September 22, 1954.

Mr. and Mrs. Robert Schuyler, dair. '50, a son, December 10, 1954.

Mr. and Mrs. John Pavey (Doreen Newton, sec., '49) a son, October 3, 1953.

Greek Letter News
(Continued from page four)

Delta Chi Omega

Delta Chi Omega, the new sorority on campus, was founded in October, 1954, as a group of 25 freshman girls.

The girls have worked hard and are really proud of the headway they have made. They took active part in the Intramural Tea as well as rushing parties and pledging. Pledging was climaxed with a formal initiation of 11 girls during a dinner at the Big Elms in Horseheads.

With the coming of spring, the girls started sporting their red and white sweat shirts. A tea is being planned in honor of our homestates.

The girls are looking forward to next fall when they will move into their permanent residence, Henderson House, on Main Street.

George Robinson
(Continued from Page 1)

and Belmont, he taught agriculture. Since 1918, he had been teaching in the Alfred Agricultural and Technical Institute.

Mr. Robinson came to Alfred as a temporary teacher of farm shop, poultry and farm machinery sales and service. He, as one of the state's experts on poultry, wrote the teaching outline for the entire poultry curriculum. He continued to teach at Alfred in the field of frozen food technology, which he set up, started and closed. A few years later, he began to teach in the fields of bacteriology, electrical technology and business math. He was a senior instructional staff man and divisional chairman of science. After thirty-seven years of constant service, he was to retire this coming fall on August 31. The loss of Mr. Robinson will be felt by all the students and faculty associated with him while at school.

At a meeting of the senior class last...
**Greek Letter News**

**Pais Delta Omega**

Psi Delta is off to a fast start this year, with several major repairs being undertaken. These include a new roof, the complete repainting of the interior, a new furnace, and revarnishing of the house. Many alumni who have returned to the house so far this year include: Charlie Magwood, Allen Johnson, Chuck Sondavas, Dave Slyaback, Howard Laff, Claudia, Dutch Beach, Howie Nowak, Ted Adrian, Frank Hertzog, Jerry Spitz, Jack Batta, and Jack Knowlton. Dutch Beach is employed by a company in Albany that is bidding on the swimming pool of a hotel. Bob Munyan stopped at the house October 5 with his wife—they were on their honeymoon. Joe Hamilton, class of '51, is back in school this year.

Plans are being made for this year's Homecoming. John LaMothe, social chairman, is in charge of this big event.

**Kappa Sigma Kappa**

Kappa Sig has plans under way for a new house. It is the hope of every member that it will be ready for occupation by next fall. A building committee has been set up whose job it is to locate the best possible site in Alfred and purchase it. We hope to be ready to start building the complete weather set in.

Further improvements have been made on the game room. The floor and piano have both been painted.

A jazz band has been planned and preparations are being made for a talent show for Fall Festival.

**Pi Nu Epsilon**

This fall Pi Nu has been busy making changes in the house. With the aid of Theta Gamma, our brother fraternity, the attic has been cleaned and the stairway plastered and painted. The outside has acquired that "new look" with the usual tree-trimming and lawn raking.

Among our other accomplishments was the initiation of five new honorary men in the latter part of September. Now we are making arrangements for senior pledging which will soon be taking place.

Our representatives to Intersorority Council have been busy revising the present constitution. These revisions will prove to be very beneficial to sorority seniors and incoming freshmen. The Student Council representatives are making plans for Harvest Festival. This year, we have been given a booth and a sign which we are all looking forward to very much.

Last week Pi Nu was hostess to a ragbag party with Alpha Beta Chi. Features included Costa- ing marshmallows, singing, and a talent show by some of the Pi Nu girls.

This year, Pi Nu Epsilon will be sponsoring new blazers. These blazers are green with white cording and a

**ALUMNI AMBLINGS**

Alice Clements, Sec., '53, and Barbara Di Gangi, Sec., '53, are working as secretaries in the Registrar's Office at the University of Rochester.

Betty Johnson, Sec., '53, is a secretary with Pan American Airways, Washington, D. C.

Charles Bostwick, Ref., '51, has opened his own electric shop in Corn ing, New York.

Gerald Volpe, Sales '54, is working green and white crest woven on the pocket. This is the first time the sorority girls have been fortunate enough to order these.

**Alpha Delta Chi**

During the summer, A.B.X. was beautifully redecorated. New sleeping and study rooms were added with a mammoth kitchen. Modern furnishings in the lounge and recreation room added to the enjoyment of our house.

Our first dinner of the season was held with our brother fraternity, Psi Delta Omega, on October 29. On October 5, we were invited to a dinner at Kappa Sigma Kappa. A great time was had by all at the ragbag party given by Pi Nu Epsilon last week.

We were all very pleased when our skill, "The Lighthouse Keeper's Daughter" won first place in the annual talent show. Congratulations girls...

The summer proved romantically successful for Mary Anne Bailey. The reason? A diamond.

** Theta Gamma**

With the fall quarter in full swing, concerning scholastic and social activities, the boys at T.G. have been quite busy. Our house was completely done over, much to its improvement. Both living rooms, the housemother's room, and the dinning quarters were completely replastered. A new lamp with a lamp has taken position before the front section of the house. All in all the house is in pretty good shape, thanks to the addition of all the new furniture.

T.G. was lucky this year to acquire a wonderful new housemother in the person of Mrs. Parkhurst. Very few people could gain the respect and cooperation of so many members in so short a period of time.

Social dinners are beginning to roll again. Our sister sorority, Pi Nu Epsilon, will be our first guest the 14th of this month.

Several of the members gained the Associate Degree of Fraternity Prac tices resulting from the convention at Syracuse last year. Richard Van Antwerp, Andrew Lombard, Gerald Mason, Donald Lowery, Duane McFaul and Douglas Perkins.

Quite a time is planned for Homecoming and the clambake this year. We sincerely hope that many of the alumni will return to visit the house.

in the Oswego, Waverly and Sherburne district as an advertising specialties salesman for Brown and Bigelow Company.

Ray Newheard, F. P. M. '51, visited the school September 21. He has just returned from Korea.

A letter from Ralph Leworthy, Ag. '41 states that he is a partner in the Leworthy Manufacturing Company, Inc. in Silver Creek, New York.

We were very sorry to hear of the death of Robert P. Heasley, F. F. '49, in August. A letter to the school from his father stated that he had died September 21, 1952. He was married and the father of a son nine months old. He was operated on for grape cancer at the Veterans Hospital in Albany, New York.

John R. Smith, Ref. '32, informed us that he is enjoying life in the service and is now having the opportunity of teaching students "what it is like to be a combat soldier." He is teaching advanced air-conditioning to a select group of men in the service in Virginia.

Robert Munyan, Ref. '32, was married on October 2. He is living in Glensboro, New Jersey and is operating his father's business.

Beccar Bartlett, Bus. '54, is Assistant Display Director at Siasons Brothers store in Binghamton.

Mary Lou Henderson, Bus X '54, is secretary and Assistant Producer for Bolte, Baran, Dustin and Doiron.

Richard Holesman, Bus '54, is continuing his studying toward a B.S. degree at Michigan State.

Jack Viene, Bus. '53, has a new address. It is Private Jack Viene, 51 277 328. Special Service Fort Lee, Virginia.

A note from Don Brooker, Ref. '54, stated that he is employed as a planner at the Knolls Atomic Power Laboratory which is operated by the General Electric Company for the A. E. C. They are building a power plant for an atomic submarine.

George M. Cohen, Bus. '54, was inducted into the service on October 14.

Mr. and Mrs. Jack Schwan, Flor '50, visited Alfred during the summer. Jack is employed as a grower at a large greenhouse range in Agawam, Massachusetts.

John Sanford, Ag. '14, writes that he is a farmer at Little Genees, New York. Mrs. Sanford, the former Ruth Williams is a teacher at Bolivar Central School. They have three children. John W. who is the Assistant Editor of the Olean Times Herald, Richard C. who works at Atomic City at Los Alamos, New Mexico, Robert S., a lab worker at I. B. M. at Poughkeepsie, New York.

He says that Robert got his training at Ag-Tech for his job.

A line from Archie A. Eldridge of Virginia tells us that he married Hazel Shaw of Alfred Station on June 2, 1915. They have three children, Paul, Virginia and Arnold. After leaving Al- (Continued on page Four)
CAMPUS CHATTER

Lost frosh; new class rooms; rain on registration day (per usual); all kinds on like registration, book, and cafeteria; crowded classroom conditions—with a few classes having to meet in Firemen Hall this year; our fall season is on October 3—winning football team, so far; love in bloom; king and queen of Fall Festival being selected; and with these words of greeting, the school year of '63-'64 has started.

You may be interested in this fall's cross country team. Captain Manuel LaFuente of Wallhill will lead the team this year. Larry Stady of Allegany, Nelson Snyder of Alfred, Richard Lyon of Waverly, Jack Lamphere of Addison, Norman Minch of Rochester, Steve Flowers of Younkers, and Marty Grant of Kenmore complete the lineup.

Alfred State Tech placed fourth and won a trophy at the track meet at LeMoyne College, Saturday, October 3. Alfred, Manuel LaFuente finished 8th, Nelson Snyder 20th, Dick Lyon 22nd, and Larry Stady 25th. With the exception of LaFuente, this was the first invitational meet ever run by the rest of the boys from Alfred State. We lost to Canisius College 23-28 on Oct. 6, but bounded back to drub Morrisville Institute, 45-50, Oct. 17, in our first perfect race.

The Rathbun Molding Corporation and the State University Agricultur- al and Technical Institute a Alfred are jointly sponsoring a cooperative work-study program for qualified graduates of upstate New York high school.

SIGMA TAU EPSILON

Sigma Tau Epsilon, the Ag-Tech honor society, held elections September 28 and the following people took office: Jean Capron, President; Beverly Goldrich, Vice-President; Vicky Ehresman, Treasurer; and Yolande Shearer, Secretary.

TOR-ECHO

In the past at Alfred, the "Flat Lux" printed all the news from both schools, but now the Ag-Tech has grown in such proportions, we have found it necessary to handle many of our functions separately. To do this efficiently, we have formed our own newspaper and yearbook staffs and on Monday of each week, the "Tor-Echo" lets all the students in Ag-Tech know what is going on of Interest in our school. Mary Fragomeni is Editor-In-Chief and Mr. James Leavy is acting as faculty advisor.

KAPPA SIGMA KAPPA

A roof over our heads, three squares a day and a nice warm fire. Yes, since organizing last winter with only class rooms to hold our meetings in, we are now the proud owners of our own fraternity house located at 174 North Main Street.

Under the capable leadership of our new president, Allen Capwell, the house is shaping up in great style.

There is a lot of work to be done yet, but with the fine spirit of cooperation which exists, we feel confident of a good year. Other officers in the house include Ray Dyment, Vice-President; Bill Schryver, Secretary; and Don Naeye, Treasurer.

A complete menu for 52 hungry mouths three times a day is keeping our steward, Earl Brown, rather busy these days. We undertook the feeding of 52 non-members as well as our own 20 members.

We look forward to a busy year with homecoming as our first big event during Fall Festival. We certainly are looking forward to seeing all our alumni back to listen to the tales of the cruel hard world we've heard much about.

THETA GAMMA

People are still talking about last year's Theta Gamma clambake. It was a tremendous success and both student and active alumni are looking forward to this year's gala event.

Much has been done to improve the house. The cellar has been redecorated along with the kitchen, living rooms, baths, upper hall and study rooms. Over the past summer, the house has been completely rewired and the trim has been painted. The lawn and shrubbery have also had an overhauling. A new drain was put in the cellar this fall, along with a workshop and fruit cellar. New chairs and tables were purchased for the dining room.

In the line of social activities, Theta Gamma has again captured the first prize in the annual talent show for the third consecutive year. Three house warmings have been held, with Theta Gamma playing host to Delta Sig and Kappa Sigma Kappa. The third party, held after the Brockport football game, saw many alumni back at the house.

First quarter pledging is underway and with homecoming looming ever nearer in the future, plans are being made to accommodate the expected returning alumni.

PSI DELTA OMEGA

School is in session again and so is Psi Delta. Most of the boys returned early this year to take care of cleaning up the house. What a job! The confusion was caused by the remodeling of the downstairs rooms which are now occupied by our new house mother. Mrs. Beckman. Mrs. Beckman is a registered nurse and has come to us with fine recommendations.

Last spring Psi Delta won the Ag-Tech baseball league with a perfect 60 record. We lost in the semi-finals to a team from Bartlett Dorm. Ag-Tech Intramurals are now separated from the University and they have scheduled their own games.

Our football team will average about 125 lb. on the line and 180 in the backfield. Although we are light, the boys are fast and almost everyone (Continued on page 4)

FALL FESTIVAL

November 4, 5 and 6
Alma Mater
Alfred State Tech now has a new Alma Mater. The music and lyrics were written by Richard Fote (B.C. '54) of Kappa Sigma Kappa.

Alma Mater
We hail thee, oh Alfred Tech,
The pride of years gone by.
We offer thee our loyalty
The faith which will not die.
Around the blue and gold
Our rally is for you.
Remembering in the years to come,
This pledge will ere be true,
We'll cherish all these memories
Your deeds we shall acclaim.
We love you dear Alma Mater
In our hearts you will remain.

GReek LeTTeR NeWS
PSI DELTA OMEGA
With the spring quarter now upon us, the members of Psi Delta Omega are going strong with work days, parties and sports. The big event coming up for this quarter is the annual spring formal which will be held at the Powers Hotel in Rochester. The event will bring back a good number of our alumni and will be highlighted by a formal banquet and dance, on May 1.

The Psi Delta basketball team is now in the finals of the school basketball tournament. This spring the softball team will be defending their championship crown that they won last year.

Next week the house will elect officers for next year. At this time Pres. Norm Coleman and the other officers will turn over their present jobs to the newly elected officers. Psi Delta pledged 24 new members last quarter and are pledging four more fellows this term.

The final house party of the year will be a farewell party for the Senior members of the house. Several members will be graduating in June and these Senior brothers will certainly be missed.

KAPPA SIGMA KAPPA
The softball team has started off the spring season with a fine team shaping up under their sports manager Bruce Hyatt.

Kappa Sig boys are making several arrangements now for their Sweetheart Ball which is dated for May 21 at the Wellsville Country Club.

Around the house these days, the Kappa brothers have been redecorating their cellar to be the official game room. A cement floor is the newest addition.

The highighted events of Kappa Sig last quarter were their social hayride and desserts with Roebech, Dobson and Pi Nu.

GAMMA THETA GAMMA
Theta Gamma has been quite active lately between the physical improvements of the house and various social events since the last issue of the paper. Firstly, the cellar is in excellent shape for get-togethers with the addition of a fireplace in the back room. The honorsaries of T.G. were kind enough to donate the money for the walls and ceiling of the room.

The annual T.G. clambake, the 22nd of May will be somewhat different this year due to the addition of a Sweetheart Ball the night before. This arrangement between the ball and the clambake should prove to be quite a success.

Howard Crandall was voted the outstanding member of Theta Gamma for the year.

ALPHA BETA CHI
Recently Alpha Beta Chi pledged twenty-seven members and yesterday completed pledging for fourteen new sisters. Formal initiations are completed for this year.

On April 6, the house was a guest of Lambda Chi Alpha for a dessert hour. Psi Delta, our brother fraternity, also entertained their sisters at dessert.

Plans are under way for the sorority's SPRING FORMAL which will be held on May 14 at the American Legion Club in Hornell.

A new 30' x 49' addition to our house is progressing quite rapidly. The entire frame construction has been completed and the windows were added yesterday. The house will hold forty girls next year and will be filled by its members.

FI NU EPSILON
Pi Nu was honored by having several of their members, Rhoda Young crowned as Queen of the Soft Ball and Lois James and Barbara Bittner as her attendants, participate in the Winter Carnival.

Many new members have been initiated into the sorority bringing the total membership to about ninety.

The Spring Formal, held on April 23, at the American Legion in Hornell, proved to be a big success, dancing to the down beat of the Five Spots from Olean. Programs and favors of miniature mugs with the sorority emblems were given as souvenirs. The highlight of the evening consisted of the announcement of the officers for the coming year and also the distribution of recognition pins to the honoraries.

Spring cleaning has been started. It was decided to make a flower garden and plants are well underway for a blooming success.

I am very sorry that we could not include the interesting Alumni Amblings and news from the Mail Bag in this issue but it seems that so many things are happening here at the present time that required the space. The July issue will contain the news of your former roommates and their activities.

M. Koby

If you have enjoyed these little issues three times a year, we would be very happy to accept contributions for its support. Even a dollar a year would help.

Notify us of any address change.
